Remarks

If you've been priced out of Plaza condos but still want to stay close in, this is a great option. Tucked just off Shawnee Mission Parkway, Charleston Court Condominiums are two, French provincial-style buildings that feel more like a home than a typical condo community. Inside this first floor unit, you'll find true one-level living. High ceilings and south-facing windows bring in beautiful natural light. Experience the outdoors with your own large screened-in porch, plus a small side terrace for a little extra fenced, outdoor space. HUGE eat-in kitchen with granite counters, tons of storage including a pantry and laundry room. Large primary bedroom with two walk-in closets and an en suite bath featuring both a separate shower and a walk-in tub. Two additional bedrooms provide flexible space for guests, a home office, or a den. Secured and heated garage with 2 spaces and 2 storage units. Elevator access to all floors. This is an ideal opportunity to downsize without giving up square footage, comfort, or location and provides easy access to the Plaza, downtown, and Johnson County.
